INDEPENDENT AUDITOR'S REPORT TO THE BOARD OF DIRECTORS OF GMR AEROSPACE ENGINEERING LIMITED

- We have audited the accompanying Statement of Standalone Financial Results of GMR Aerospace Engineering Limited ("the Company") for the year ended March 31, 2019 ("the Statement") being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016, to the extent applicable.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related Standalone Ind AS financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such Standalone Ind AS financial statements.
- We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion.

4. Attention is invited to Note 2(a) of the Statement regarding the Company's investments in its wholly owned subsidiary, GMR Aero Technic Limited, amounting to ₹ 22,786.36 lakhs, loans given and, trade receivables from this subsidiary, amounting to ₹ 3,895.16 lakhs and ₹ 7,315.33 lakhs, respectively, as at March 31, 2019. The subsidiary has been incurring continuing losses and its accumulated losses have fully eroded its net-worth as at March 31, 2019. Based on the future business plan, projections and for reasons more fully described in the aforesaid Note, the Management is of the view that no impairment is considered necessary in respect of aforesaid investment, loans and trade receivables as at March 31, 2019.

In the absence of sufficient appropriate evidence and information to support the key assumptions made by the Management to assess impairment, we are unable to comment on the carrying amounts of such investments, loans given and trade receivables from such subsidiary, including adjustments, if any that may be required to be made to such carrying amounts.

This matter was also qualified in the audit report on the Standalone Ind AS financial statements for the year ended March 31, 2018. \(\)

- 5. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in paragraph 4 above, the Statement:
 - (i) is presented in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016; and
 - (ii) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the net loss and Total comprehensive loss and other financial information of the Company for the year ended March 31, 2019.

6. We draw attention to:

- a. Note 2(b) of the Statement, which indicates that as at March 31, 2019, the accumulated losses amounting to ₹ 1,398.13 lakhs and the possible effects of the matter described in paragraph 4 above indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. This Statement has been prepared on a going concern basis for the reasons stated in the said note.
- b. Note 9 of the Statement, which indicates that the Board of Directors in their meeting held on December 10, 2018 has approved, subject to the required approvals, the Composite Scheme of Arrangement amongst GMR Hyderabad Air Cargo and Logistics Private Limited ("GHACLPL"/"Transferor Company") and GMR Aero Technic Limited ("GATL"/"Demerged Company") and GMR Aerospace Engineering Limited ("GAEL"/"Transferee"/ "Resulting Company") and their respective Shareholders and Creditors ("Scheme"), wherein GHACLPL will merge with GAEL and GATL will demerge the MRO Business undertaking into GAEL with an Appointed Date of April 01, 2018. The Company is in the process of obtaining requisite approvals (including from the National Company Law Tribunal (NCLT)), under applicable laws/regulations to give effect to the above Scheme, pending aforesaid approvals no impact of the Scheme has been considered in the Statement.

Our opinion is not modified in respect of these matters.

7. The Statement includes the results for the half-year ended March 31, 2019 and half-year ended March 31, 2018 being the balancing figure between audited figures in respect of the full financial year ended March 31, 2019 and year ended March 31, 2018, and the unaudited year to date figures for the half-year ended September 30, 2018 and the half-year ended September 30, 2017, respectively which were subject to limited review by us.
